

THERESA OTTAH

Frontend Developer

Abuja, Nigeria | ottahtheresa@gmail.com

[LinkedIn](#) | [GitHub](#) | [Portfolio](#)

Professional Summary

Frontend Developer with experience building responsive, high-performing web applications using React, TypeScript, and modern JavaScript frameworks. Proven record of improving user experience, application performance, and team collaboration.

Professional Experience

Frontend Engineer | Payable.io | Remote (London, UK) | Dec 2023 – Present

- Developed responsive, accessible UIs for a FinTech SaaS platform using React and Redux.
- Improved data flow and reduced state-related bugs through robust Redux implementation.
- Optimized performance via code-splitting, lazy loading, and efficient rendering.
- Built reusable component modules to accelerate feature delivery.
- Collaborated with designers for pixel-perfect implementation and cross-browser compatibility.

Frontend Engineer Intern | Esemie.io | Remote | Apr 2023 – Jun 2023

- Developed responsive user interfaces with React, TypeScript, and Tailwind CSS (mobile-first).
- Integrated frontend components with REST APIs for seamless data flow.
- Created and maintained a UI component library using Storybook to ensure design consistency.
- Translated Figma mockups into dynamic, production-ready web components.

Frontend Engineer Student Intern | AltSchool Africa (TechStars '21) | Remote | Apr 2022 – Jun 2023

- Designed and developed web features using React and Vue.js.
- Collaborated on full-stack team projects following Agile methodologies.
- Improved Git version control workflows through structured branching.

Customer Support Executive | BuyPower.ng (YC W17) | Onsite (Abuja, Nigeria) | May 2018 – Jun 2022

- Collaborated with engineering teams to troubleshoot user-facing issues, providing actionable insights that informed UI/UX improvements and reduced customer complaints by 30%.
- Implemented a structured customer feedback loop, leading to a 30% increase in customer retention and product adoption.
- Trained and onboarded new hires on CRM tools and digital communication systems (Freshdesk, Zendesk, Zoho) enhancing team efficiency and consistency.
- Managed 270+ daily interactions across multiple channels, maintaining top performance in satisfaction and resolution KPIs.

Frontend Developer Intern | Zuri Team, Inc | Remote | Mar 2021 – Jun 2021

- Completed a 250-hour bootcamp focused on frontend technologies.
- Built responsive web pages with HTML, CSS, and JavaScript, including a payment form.

Education

- Diploma, Frontend Engineering – AltSchool Africa | Apr 2023
- B.A. Philosophy – University of Abuja | Jan 2017

Core Competencies and Tools

Technical Skills: JavaScript (React, TypeScript, Vue), Redux, Node.js, Tailwind CSS, Bootstrap, CSS3

Tools: Git, GitHub, Storybook, Figma, Netlify, Vercel, VS Code

Core Skills: Responsive Design, Web Performance Optimization, Accessibility (WCAG), API Integration, Component-Driven Development, Testing & Debugging, Agile/Scrum

Projects

- Michestar Website – [Live Site](#)
Built responsive website for Data Protection Compliance firm. Optimized load speed with lazy loading and code-splitting. Tech: React, Tailwind CSS, Netlify
- Ember Restaurant – [Live Site](#)
Collaborated on restaurant website with interactive UI and mobile-optimized navigation. Tech: React, Tailwind CSS, JavaScript

Certifications

Diploma in Frontend Engineering – AltSchool Africa | Apr 2023

Frontend Development Certificate – Zuri Team Inc. | Jun 2021
